

Construct Your Future – Build on Our Team!™

Construction Project Manager

Hampton Holdings is a leading edge Newfoundland owned and operated construction company specializing in metal building products and systems.

You are an excellent communicator, a self-starter, well organized, a reasonable risk taker, ultra dependable and you keep your eye on the bigger picture! You have a 3 year specialized Architectural or Civil Engineering Technology Diploma with a minimum of 5 years work experience in the commercial construction industry and up to date knowledge of AutoCAD. You will excel at estimating, tender preparation, customer service, shop and fabrication drawings, material quantification and purchasing, project administration, site coordination and inspections.

Are you seeking independence in your work environment yet enjoy being a team player? If so, this is your invitation to consider building your career future with us!

Salary based on experience and qualifications. Health benefits are provided under Merit Contractor's Association. Application deadline open until suitable candidate found.

To consider this unique opportunity with our dynamic team please apply in writing only to:

Hampton Holding Inc., 56 Clyde Avenue, Mount Pearl, NL A1N 4S1

Fax: (709) 747-9298

Email: jobs@hamptonholdings.com

We thank you for applying. Only candidates under consideration will be contacted.
